WORDEXPRESS
Multilingual Solutions Worldwide

Experience and Expertise

Our highly professional in-house staff is capable of handling even the largest and most complex projects. In addition, we have more than 10,000 language specialists at our fingertips. This allows us to select the linguists best suited to meet the particular demands of each project.

Our translators are:

- Native speakers of the target language (the language translated into).
- Members of prestigious professional associations, such as the American Translators Association (ATA).
- Highly skilled experts on the particular subject covered by your project.
- University graduates with many years of experience in their fields of specialization.

Our interpreters are:

- Versed in the specific terminology used in different fields and settings, such as depositions, court hearings, health care, trade fairs, media shows, business and tourism.
- Court- certified, court-registered or court-approved upon request.

Personalized Service

At WordExpress we consider our clients our most precious asset. We constantly strive for your full satisfaction in cost and quality.

Since communication is our business, we understand that exact and effective oral and written interchange is paramount to producing optimal results. Your instructions are followed meticulously

in every phase of your project, and your feedback is always appreciated. Our careful attention to detail will fulfill your highest expectations.

Reputation & Integrity

Since its inception in 1993, WordExpress has developed a reputation for outstanding professional language services. Our professionalism has resulted in long-term relationships with our clients. Most of our work is generated by referrals and repeat business. Our clients include some of the largest and most prestigious corporations. WordExpress is committed to the highest standards of performance and ethical behavior, as established in the Code of Professional Conduct and Business Practices of the ATA.

Competitive Pricing

WordExpress offers real value in language services by providing top quality at very reasonable rates, averaging 20% less than those of our competitors. In addition, we extend special discounts for our clients, e.g. for large projects and yearly contracts! We are so confident about our price advantage that we are willing to match any other language company's written estimate for the same quality and services.

Premier Quality

Quality is our hallmark and may be considered the single most important factor in the success of WordExpress. Our team of language

professionals is dedicated to providing accurate and faithful renditions of the original message of every project. To ensure the highest quality, each document is meticulously

edited and proofread by several language experts before it leaves our offices. Our clients often tell us that they especially value this thorough review... and it's included in our price!

Ultimate Technical Resources

WordExpress uses the latest technology available on today's market to provide our services in more than 100 languages. Our PC and Macintosh computer systems offer a large variety of software for text layout and desktop publishing. There is no electronic format that we cannot accommodate!

Fast Turnaround

Depend on us for prompt processing of your language project. We assist you in crucial deadline situations when every minute counts. When time is running out, we offer rush processing to help you stay on schedule!

Innovation

WordExpress stays in step with commercial, technological and linguistic developments around the world so that we are able to offer the ultimate in language expertise. We are the last word in language solutions!
